

SOCIETY OF ACTUARIES IN IRELAND

NEWSLETTER - AUGUST 1989

1. The first Council meeting of the incorporated Society was held last week. 45 applicants were accepted as Fellow Members - a list is attached.
2. The first Annual General Meeting of the Society is scheduled for September 26th, and formal notice will be sent out at least twenty one days in advance. Could I ask those of you who have not yet applied to join the new Society to do so before August 25th, as it may not otherwise be possible to admit you before the AGM. A form of application is attached, in case you lost the first one. Note that you do not need to send money for now.
3. In the next day or two, all Irish students and associates will be invited to join the Society. Subject to the agreement of the Faculty and Institute, notice will also be sent to all their members informing them of the formation of the Society and inviting those interested to join.
4. The examination results came out in mid-July, and sixteen Dublin students completed all their exams. They are:

Sheelagh Bedlow (New Ireland)	Stephen Loughman (Irish Life)
John Caslin (Prudential)	Conor Malin (New Ireland)
Peter Caslin (Prudential)	Eithne McManus (Irish Life)
Patricia Colton (HLA)	Paul McNamara (Lifetime)
Jimmy Doyle (Hibernian)	Adrian O'Connor (Norwich)
Brenda Dunne (Irish Life)	David O'Connor (ICI)
Mark Fanning (Prudential)	Norman Peard (SKC)
Colm Fitzpatrick (Irish Life)	Paul Victory (Lifetime).

In addition, Tim Keville of Willis Faber in Belfast also qualified.

Congratulations to everybody! If I may single out two people, especial congratulations to Norman Peard, who qualified in four years and to Eithne McManus (a product of the City University post-graduate course) who qualified in only two years, and was also awarded the Sir Joseph Burn prize, for 'special merit in passing the examinations'.

5. The long awaited 1989 Annual Dinner will finally take place in the University Club, on Friday, September 8th at 7.30 p.m. All members of the old Society and Fellow Members of the new Society are welcome, and may bring a partner or guest, though this is not at all necessary. A booking form is attached - please return it by August 31st.
6. Finally, two bits of news:
 - Brian Huston is moving to London at the end of August. The Council would like to thank him for all his work for the Society especially in chairing the General Insurance sub-committee, and wish him good luck in London.
 - There is a new actuary among us: Robert Hall has joined NZI in Galway.
